Harvest Covered Call Strategy

Harvest ETFs uses an active covered call strategy to generate high monthly income.

A trade-off of using a covered call strategy on securities in a portfolio is that it limits the potential upside for stocks in the portfolio on which call options were written.

Disclaimer: Commissions, management fees and expenses all may be associated with investing in Harvest High Income Shares ETFs managed by Harvest Portfolios Group Inc. (the "Funds"). Please read the relevant prospectus before investing. The Funds are not guaranteed, their values change frequently, and past performance may not be repeated. The monthly cash distributions on the units may consist of income, including foreign source income and capital gains, less expenses and may include returns of capital. Tax, investment and all other decisions should be made with guidance from a qualified professional.
